

29-30 April

Conference

2010

'City of
Composites'

Early Bird Registration

Stamford Grand Hotel, Glenelg Adelaide, South Australia

Australia's pre-eminent composites conference and trade show attracts local and international attendees from key industries including aerospace, automotive, building & construction, civil infrastructure, energy, marine, mining and transport. This event offers a great opportunity to conduct business, establish new contacts and learn of the latest industry offerings. Bring the family and explore the fantastic beaches, attractions and shopping!

Book early and save

Early Bird registrations must be received by **26th February 2010**.

Friday 30th April

Conference Sessions Day Two

7.30 am Registration
8.30 am Parallel Session / Fabricators' Friday Session (presentations / demonstrations / workshops)
10.30 am Morning Tea
11.00 am Parallel Session / Fabricators' Friday Session
12.30 pm Lunch
1.30 pm Parallel Session / Fabricators' Friday Session
3.00 pm Afternoon Tea
3.30 pm Parallel Session / Fabricators' Friday Session
4.30 pm WRAP-UP refreshments / Wine Tasting Conference Farewell

The program, including list of speakers, is updated regularly on the website compositesconference.com

Speakers include

Keynote Speakers

Scott W. Beckwith – SAMPE, International Technical Director and President, BTG Composites Inc. (USA)

FRP and Advanced Composites:

Contributions to Our Expanding Energy Market Needs

Fred Abbink – General Director, The Netherlands National Aerospace Laboratory – NLR (The Netherlands)

The Past, the Present and the Future – Three Generations of Composites Development at NLR

Alan Baker – Composites CRC

Overview of Emerging Repair Technologies for Composites

Scott W. Beckwith – Fabricators Friday Presentation
Tooling Technology – Current State-of-the-Art and New Materials

Scott W. Beckwith

PRACTICAL WORKSHOP: Resin Infusion Processing: Materials, Processes, Preforms, Tooling, Applications

Alison Glover – Olympus Australia

The theory of ultrasonic (UT) non-destructive testing of composite materials

Rikard B. Heslehurst – UNSW-Australian Defence Force Academy, Canberra ACT

Tackling the 10 Major Issues of Bolting Composite Structures

Rikard B. Heslehurst – UNSW-Australian Defence Force Academy, Canberra ACT

TUTORIAL: Composite Structural Repairs

Martin Jones – Composites CRC

New and Improved Federal R&D Incentives for SMEs

Jack Little – Evisive, Inc.

Non Destructive Microwave Inspection of Composite Structures

Martyn Manuel – Fibrelogics Pipe Systems

Large Volume Production of GRP Pipes

Arthur Rendell – Regina Glass Fibre

Persistence Pays – Murphy's Law In Practice

Dennis Southam – Dennis Southam & Associates

The Devil is in the Detail

Practical Demonstrations Include

Vacuum Infusion of a Dinghy & a Glass Panel

– Nupol Composites

Plexus Adhesive Bonding for Composite Structures

– Fiber Glass International

Factory Tour

Fibrelogics Pipe Systems
